

Heritage Gazebo Booking Form

The **Heritage Gazebo** is set in the spectacular, historic **Native Garden** showcasing a landscape representing the indigenous species of this area. Garden highlights include the reintroduction of beautiful **native trees, plants and grasses** from the late **1800's**.

The Gazebo rental assists **The Ranche at Fish Creek Restoration Society** in maintaining this historic garden. With this contribution you will also receive a tax receipt and be recognized as an associate member of the society.
